

Winnebago Lesharo

LeSharo. It's A Car. It's A Van. It's A Motor Home.

In a LeSharo®, you get everything you want from a car, a van and a motor home.

You won't need a second car, because of LeSharo's great fuel economy, front-wheel drive and practical size.

You won't need a van, because there's plenty of seating.

And, of course, you won't need a motor home, because LeSharo has all the comforts and conveniences you need.

Buy a LeSharo. It's three of the best vehicles you'll ever own. And best of all, it's a Winnebago®.

Its efficient design gives the LeSharo 220RD plenty of living space and features, making it a comfortable home on the road.

The dinette seats four and becomes a wide, comfortable bed.

The space-saving bathroom walls expand for extra room.

The companion seats convert easily into a comfortable bed.

For meals and snacks, the galley has a sink, 2-burner range top and refrigerator.

Stain resistant upholstery, fabrics and carpeting

Chassis dipped in primer and sealant tanks to cleanse and rustproof

Steel unibody chassis construction for strength and integrated design

Seamless water and holding tanks, strategically positioned for even weight distribution

Meets or exceeds all applicable federal, state and RVIA safety codes.

Non-hardening sealant throughout

Every LeSharo is subjected to an extensive exterior water leak test.

Integrated bumpers

Extra-wide, heavy duty rear axle

Cast alloy wheels and radial tires

Light, yet strong, aluminum frame around living areas

Light, tight and fully insulated Thermo-Panel® sidewalls

Microprocessors monitor and control the fuel injection, ignition timing and the shifting of the automatic transmission.

Steel mounted windshield

Steel cab and dash structure

MacPherson Strut front suspension

Choice of 5-speed manual or 3-speed automatic transmissions

Power assisted rack and pinion steering

U.L. approved LP regulator

Front-wheel drive for improved efficiency, handling and ride comfort

Power assisted front-disc/rear-drum brakes

PVC rockguard coating applied to critical surfaces

Tinted and screened tip-out coach windows

Electrostatically painted aluminum window and door trim

When you own a Winnebago, you can belong to the Winnebago-Itasca Travelers Club. The club offers motor homers programs and special events that help make life on the road easier and more fun. Call 1-515-582-6874 for more information.

The well-designed dash includes easy to read gauges and an AM/FM/cassette stereo.

The fiberglass rear cap has an extra-large window and integrated storage for the spare and electrical cord.

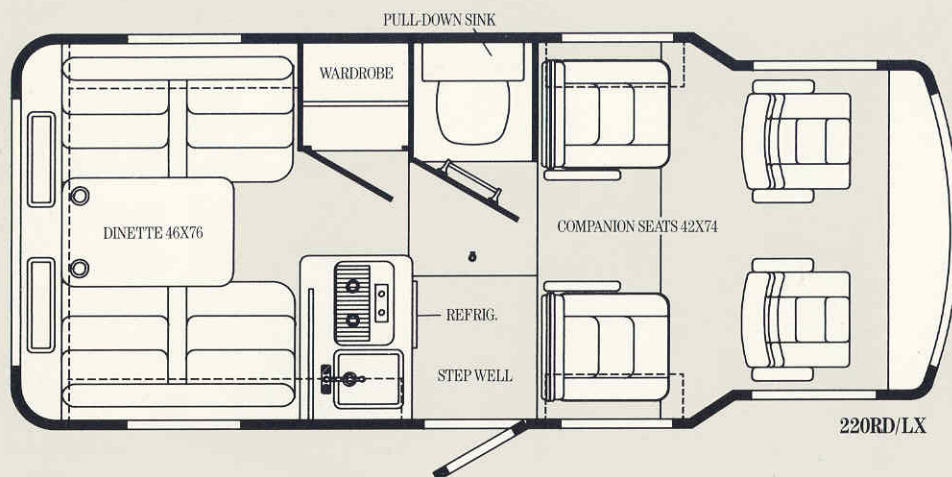

The handsome LeSharo 220LX has a higher level of standard equipment.

The LeSharo 220LX features Euro-styled cabinets, wall trim, upholstery and mini-blinds (blind colors may vary).

Note: Dimensions shown are for sleeping space and dashed lines denote overhead storage.
